MY REDEEMER

Mikkel Dahl

MY REDEEMER

Repeatedly I have reminded my readers of the Lord's statement that

> *"As long as I am in the world, I AM the Light of the world." "...the NIGHT approaches* (during which) *no one can work!"*

Was the Lord boasting? Does not even secular history attest to the truth of His words? So much has been written and spoken about the "Dark Ages" that even a youngster of today is aware of that sad fact! Yes indeed! After the 'twilight' ended as the apostles and their proteges fell asleep, a Stygian night of pitch blackness enveloped the world throughout centuries - until Lucifer's "age of learning" incepted! So dense was that spiritual DARKness that were it not for the Redeemer's grace to usward, well might we wonder if there would have been a nation today - calling itself "Christian"!

Yet that which is tremendously more important is this pathetically sad fact: *most* - virtually all - of the dogmas PREACHED FROM Christian pulpits today, *were hatched during that prophesied night of darkness*, concerning which our Lord said: *"no one can work"!*

Wherefore, how much stock should you take in them? (Does it require a Solomon to answer that?)

Decades ago, I set forth unto my students that very prophecy wrought out in drama, that when on one occasion Jesus had said they should "cross over" (the sea), they forgot to take along extra eats. They had but ONE LOAF of bread in the boat! That one loaf portrayed Jesus Christ Who is our *"Bread of Life"*. The crossing over to the OTHER SIDE portrayed these many centuries since He went back to the Heavenly Father - *until* the approximate time of His return. HE counseled them to *"BEWARE of the leaven of the Pharisees and of the Sadducees."* THAT bespoke two categories of today. The former is the SELF-appointed priesthood, while the latter "scientifically oriented philosophies"! Which sad facts constitute the explanation for our so-called Christian society rushing madly towards the precipice - to plunge headlong into the abyss.

Nearly everything proclaimed from the pulpits - aside from Jesus Christ our REDEEMER, is Lucifer's *interpretation* of Christ! ! When the old Devil realized that Jesus' death on the cross did not END there, he set about to invent *slants of perspective and interpretations* of "the faith" once delivered unto His disciples.

To substantiate the foregoing sad fact, the Lord spoke a clarifying parable - even that of the landowner who sowed clean wheat in his field *(Matt. 13:24-30)*. Not long after the wheat was sprouted, a keen-eyed servant asked his master *"Did you not have clean wheat sowed in your field? How come that darnel is also growing throughout?"* The master replied: *"An enemy-MAN has done this!" (vs. 28)*. (The reader is assured that the MAN word is in the Greek originals. But the Devil managed to keep out that MAN word. Otherwise, many an alert reader would have "smelled the rat" when perusing Scripture, and listening to pulpit dronings.)

Then the servant wondered if the tares should be plucked up. But the master replied that both should grow together into the harvest. THEN the tares would be gathered unto the burning, but his wheat into the storehouse.

In the Gospel accounts, there is no mention of a *man*; so, the Devil gets all the blame. No doubt, he should get the fullness of the blame; but HOW does he work? Through MAN! Therefore we have in the pages of Scripture, the Word of God, interspersed with the tare-seed!

But comes the pathetic whine: "But Brother Dahl: IF the words of carnal man are strewn throughout our Bible, WHAT can we believe?

BELIEVE IN JESUS CHRIST AS THE ABSOLUTENESS OF YOUR REDEMPTION; but boot back into hell nearly everything else you have heard from pulpits, or read by His *"hirelings"*! (See what Jesus had to say about our modern *"hirelings"* in *John 10*.)

Not less than 75 years would Noah's ark have been under construction; during which time a small multitude of people would have seen and heard. THAT constituted a prolonged warning unto the predeluvians. DESTRUCTION was close to hand!

For some little time previous to Israel being delivered from bondage in Egypt, Moses and Aaron strode in their midst, promising deliverance. Moses and Aaron also continued with the people throughout 40 years UNTIL Israel was ushered into the land promised their fathers (which land was symbolic of the Heaven-world which Christ promised unto those who CLOSELY followed Him [see the first four verses of *John 14*]).

Throughout *many* years previous to Israel's exile in Babylonia, prophets - such as Jeremiah -

pleaded with the people to turn from their iniquity, that they might worship God *acceptably:* otherwise destruction and captivity! God does not fail to WARN mankind and to make TRUTH available.

How long previous to the Manger's Babe, the record does not make clear; but we are told that God sent Gabriel to the priest Zacharias. A little more than six months later the same archangel was sent to the virgin Mary to tell her that "the utterly impossible" would take place in her body! Later to be born as the Christ-child and Redeemer of man! Then followed about thirty years until Jesus manifested as the expected Messiah.

Clearly are we told concerning that time that *"the people were in expectation" (Lk. 3:15).* Many waited in confidence that the Kingdom of God would suddenly manifest. A Heavenly host had also manifested to shepherds at night, telling them to *check out the PROOF!* God never fails to warn the people of dangers ahead, but also to set the TRUE FACTS before them. . . .

Now - well over thirty years ago - commenced the exposing of dogmas hatched in the Stygian Night. Unassailable TRUTHS - self evident and indisputable were also set forth unto a small multitude by an appointed messenger, heralding the imminent return of Christ Jesus our Lord and Redeemer.

But, even as in the days of Jesus' ministry, when He failed to commence chasing out the Roman usurpers, many turned away from Him. Similarly in these days: because an eagerly awaited event fails to manifest, there are those who turn away!

THE TIME IS NOW! ! But is that all the Lord

wants you to know (that His return is now at hand)? Surely - it is better to believe that and live accordingly, than to be in Lucifer's camp. . . .

Although pulpiteers will word it much differently, were we to piece together their various statements made from time to time, the scenario would approximate this:

> *God brought about all that we can see and feel, including man. For every human being He created a 'soul' - an invisible something to indwell the human body. IF then, throughout some decades the person would HEAR the word of God and live accordingly: very well. But IF the person were to be dubious and somewhat self-willed, not being "converted" then the "soul" would be damned forever, enduring torture in Hell - time without end! ! ! But God seeing so few people living in righteousness, "Gave His one begotten Son" to become a human being on earth: to live sacrificially, and finally to "endure the torments of the damned" (-as was commonly said): being rejected by the priesthood, flogged by the Romans and crucified on Golgotha's brow: "suffering hell" throughout about six hours until death released Him from suffering. (Well have the Norwegians labeled that day: "LONG Friday"!) And THAT hellish torture God commanded His only Son to endure - for what? To "save" an extra few handfuls of 'souls' - while the bulk of humanity heads for Hell to broil for ever and ever! ! !*

What a God! What a Father! What a devilish yarn! ! Howbeit, the said 'yarn' may have sufficiently awed many ten thousands enough to extricate themselves from Lucifer's clutches; entering - perhaps - into hope for eternal life.

Not all that is bad is ALL bad! It is generally believed that Judas' betrayal of his Master was extremely BAD. But in view of the fact that the betrayal led to the opening of *"a fountain.. ..to the house of David and to the inhabitants of Jerusalem for sin and for uncleanness"*: we must concede his sin was not ALL bad!

Although names, dates and places will not here be given, yet I believe the episode is worth telling.

A certain man - fairly well to do - had a teenaged daughter. She was very proud of the sparkling new car her daddy had bought, and she watched from day to day as the sheltering garage was constructed. But not so long thereafter the parents were suddenly called to the bedside of her sick and dying grandmother. The parents were reluctant to take along Mary (to behold suffering and death). Her dad not knowing how much he might be upset by the expected death, grabbed a cab instead of his own car.

It could have been between 4 and 5 that afternoon when Mary suddenly noticed smoke coming from behind the garage. She rushed out to check: a garbage can, close to the garage wall, was on fire (maybe started by a careless smoker passing in the alley). The newly painted lumber was already ablaze! Mary was frantic, but fortunately with sufficient presence of mind to rush in, calling the fire department. She even managed to tell them where to come! A fire truck did arrive in sufficient time to put out the fire before entirely too late. Although the garage could be labeled a loss, yet the car sustained next to no damage.

Guess what! Throughout weeks thereafter, Mary was heard excitedly telling friends and whosoever, that the fire truck had COME TO SAVE HER DADDY'S CAR! ! Even some of her young friends repeated the same words to

others. . . .

At the outset, the fire department didn't even know that there was a car inside the garage! They had come to SAVE the GARAGE! Having succeeded to extinguish the fire in time, daddy's car was SAVED!

Although the foregoing episode does not answer in every little detail, yet in a general way, Mary's excited telling how the fire truck had come to save daddy's car does largely parallel Lucifer's perversion of our Redeemer's mission - which was to make possible the eternal preservation of THE HUMAN, PHYSICAL BODY! ! Primarily, NOT the 'car' within!

The One-begotten Son of the All Highest came to earth VOLUNTARILY (not 'given' by the Father) to make possible the preservation of the human body, eternally! It was *NOT FOR THE SOUL!* Even the most simple understand that so long as the body is preserved in good health, whatever 'soul' may be within is also preserved.

With emphasis it is said unto you: The *primary* objective of the One-begotten Son of the All Highest was to make possible the eternal preservation of the human body (which is God's absolute MASTERPIECE in all of creation)! ! (When the garage is fully preserved, then the 'car' within suffers no damage.)

IF my statement of the Son's basic objective is not *fully* true, then there would never be "a resurrection" of multiplied millions of human bodies - long since dead and decayed. And yet again: IF my statement that His basic objective was the eternal preservation of the human body is not FULLY true, then would the Spirit-Son of the All Highest NOT have come back from the Father's presence in Heaven to resurrect the lifeless and badly wounded body the Spirit had per-

mitted to get killed!

"It is finished! !" "Father, into Thy hands I commend my SPIRIT."

By those quoted words spoken off Calvary's Cross, the reader observes that the Lord spoke of His SPIRIT (no 'soul' mentioned), and that the said Christ-Spirit went into the presence of the Father. Were it not for the fact as I claim that it is the HUMAN *BODY* (which is God's absolute MASTERPIECE), and - for which - the Son made it His indescribable SACRIFICE TO PRESERVE for all of Humankind, then the Christ-Spirit would have remained in the Heavenlies letting the lifeless and torn physical body decay, returning to the dust of earth from whence it came. . . .

HE did NOT remain in the heavenlies, but about 39 hours after He spoke the quoted words, He had raised the lifeless body into a new and glorified state, in and by which He appeared and spoke to Mary Magdalene. And in that glorified body He first ascended to the Father that Sunday morning, but again returned to earth that selfsame day, appearing unto two in the afternoon and then unto the ten disciples - maybe shortly following supper (there was next to nothing left in the house to eat). That fact, and what was served to Him, was also prophetic. The honeycomb was/is A SWEET prepared by those industrious fliers. WHAT do they typify? They are thoughts and the spoken "happiness-engendering words" which have been going forth down through the centuries into this day. ("There is pie in the sky AFTER you die!")

Then there was a portion of broiled fish. Decades ago I wrote of fish as the LIFE in the depths of soul (water). That refers to living fish (such as the one which provided for Peter the didrachma or silver coin). But this *left-*

over small piece - prepared by man that it may better appeal to the taste - bespoke the MYSTERY dogmas peddled into our very day! Beloved reader: HOW can you fail to observe that the Son of the All Highest ever spoke the Truth, lived the Truth and enacted Truth throughout His earth-life and also in death, and again during His remaining 40 days on earth? And who has and does clarify before you THAT which glorifies Him and gladdens your heart - except him whom He has appointed thereto in these dawning hours of THE NEW DAY? Rejoice that YOU are alive and privileged to see and hear that which bygone princes of this world had hoped for in vain. . . .

CHALLENGED is whosoever, to set forth as much as one logical refutation of the previous basic statements. *TRUTH VINDICATES ITSELF.* . . .

And finally (but factually, first): the created SOUL yarn which supposedly He came to "save" is precisely that (a yarn)! Oh sure: we have 'souls'. When the 5th Seal was broken, the Revelator was given to behold ***"under the altar the SOULS"*** of many which had been martyred because of their unflinching stand for Christ their Redeemer! *(See Rev. 6:9.)* Yet that fact by itself constitutes not the faintest *proof* that the Son's *BASIC objective* which led to His incarnation, was to "save souls". Howbeit, *IF* we were to understand that SOUL-word the way it has been used throughout the entirety of the Old Testament, then indeed did the Christ come to "save souls". For, the way that word is used throughout the Old Testament refers to the *entire sentient human being.* Even though illiterate people, they knew better than to blabber about an invisible - hopefully something - somewhere within the human body! ! When Israel in the wilderness thirsted for water, and also craved flesh to eat, they grumbled unto Moses, saying that 'our SOULS

are dried up in this wilderness!' WHAT was dried up? NOT an unknown something within; but their entire sentient beings!

Now, just one step more:

> *"Let us make man in OUR image, and after OUR likeness."*

"God is a Spirit", said the Christ. Since man is in the very image and after the likeness of very God in Heaven, THAT portrays unto us a tremendously different scenario. Have you known, or even heard of as much as one human being - normal in body and mind - which does not like to see one's own offspring come into this world and grow into maturity - in perpetuation of self and of the human race?

Since that is fully true of the normal human being: that was/is also true of God in Heaven! *That* conclusion you cannot evade.

According to the first chapter of *John*'s gospel, it was not that Being who Christ spoke of as His Father in Heaven; but rather, the Son of the Father Who had brought into being all of creation visible to the human eye! The SON *was the Creator!* THAT is also substantiated by various passages in the Old Testament, such as *"they weighed for my price thirty pieces of silver"*. That Yahweh which had manifested by speaking to and through His appointed prophets had declared to them Himself to be the Creator. And, in that He said, *"for MY price"*, He identified Himself with the spirit indwelling Jesus of Nazareth!

Just before His last expiration upon the cross, Jesus cried out: *"FATHER, into Thy hands I commend my Spirit."* As the body of the Nazarene was indwelled by the Spirit begotten by

the All Highest; similarly are our bodies indwelled by spirits begotten by the Christ-Spirit. It was that selfsame Son of the Father who spoke to His Father, saying: *"Let US make man in our image and after our likeness."* That Yahweh Spirit which wrought throughout about 5½ 'days' in creating all that we can observe, also brought man into being towards the close of the 6th 'day'.

When this blessed TRUTH you clearly perceive, then do you instantly realize that it was our Heavenly Spirit Father which incarnated in order to REDEEM HIS OWN BEGOTTEN SPIRIT CHILDREN.

In full support of the foregoing Truth, medical science unintentionally tells us that within the gonads of the young, normal male, millions of life-seed are generated every 24 hours. That continues - maybe throughout 30 years or more. By which we perceive the almost incalculable number of Life-sperms generated in one's lifespan.

Since we are well justified to accept that verdict by medical science, we become forced to deduce that the same applied to the Son-Spirit in eons distantly bygone. *("...and after our likeness.")* The spirit-children begotten by the Son contrasted to their Father, even as does a newborn infant here on earth contrast to the parents. *It is BEGINNING versus maturity.*

Our indwelling spirits are His offspring. Our human bodies constitute the "tabernacle" (house) to be lived in.

Because our primitive parents were fooled by Lucifer, DISobedience incepted; decay of the tabernacle resulted - even as houses here on earth. THAT decay and ruination is what our wondrous Spirit Father came to earth to UNdo!

".... For this purpose the Son of God was manifested, that He might destroy the works of the devil."

I Jn. 3:8

It was no "soul" of Adam and Eve which died: their bodies of flesh, bone and blood went to ruin. *THAT* was the *"works of the devil"*. THAT is why our Heavenly Spirit Father incarnated to utterly do away with every vestige of the devil's works. Repeatedly (not less than four times) did the Christ state that very fact - that those who believed that Truth would never experience death of the physical body.

("Your fathers did eat manna in the wilderness, and are dead. THIS is the BREAD which cometh down from heaven: that a man may eat thereof and never die!"

Jn. 6:49 & 50)

But the *"hirelings"* into our very day are either too dumb, or too spineless to speak forth His TRUTH! *They live the Devil's lie!*

HERE it is not deemed essential to go into extensive details which decades ago I set forth in my MASTER PLAN book, except to say: a vast multitude of those begotten spirits eventually entered into error (disobedience to the Father - fooled by the Devil). ALL of those errant spirits were consigned to live on earth in human bodies. THAT embraces all of humanity! We must PROVE ourselves. Through faith in Christ the Lord, we overcome the *"works of the devil"!*

The basic question and the simple problem resolves itself to this simple issue: You cast about and observe millions of good Christians perpetually dying (the works of

the devil). Are you determined to continue believing the Devil's lie? Or will you renounce the Devil's lie, FULLY ACCEPTING CHRIST'S TRUTH-WORD? ?

"WHO has believed our report?" - lamented His ancient prophet! How TRUE into our very day! WHO will you believe: Christ? Or Lucifer? (I BELIEVE THE CHRIST. . . .)

Now the basic factors of His PERFECTION PLAN loom before you. The Spirit Father of that vast multitude of His begotten spirit children indwelling present humanity were in the clutches of Lucifer. Therefore, of His own free will (as predetermined by Father and Son in misty eons bygone), I repeat: OF HIS OWN FREE WILL - did He enter into the indescribable sacrifice and come to earth to indwell a human being, to make possible the eternal preservation of the human body. "Of His own free will": a Father sacrificing Himself for His own children to "get them OFF THE HOOK"!

The much quoted and abused *"John 3:16"* was not a Father booting out his Son to make "salvation" possible for a handful or two; but only the Highest Father telling His Son that "THE *TIME IS NOW!*" (Even to Him it was a sacrifice to *let* the Son go, for - even as here on earth - fathers enjoy the presence of a beloved son.)

If you are a parent, have you not made a measure of sacrifice for your children? And, were one or more to get into serious trouble, WHAT would you not have been eager to do to get such a one "off the hook"? THAT is precisely what our Heavenly Spirit Father did: to get us OFF THE HOOK!

The sacred record tells us: we cannot help but believe - even though we fail to understand -

HOW a Spirit Being brought about creation! But this we do KNOW: that spirit beings we label Angels have never been seen on earth picking cherries, milking cows, feeding the pigs, plowing the fields or seeding and harvesting. Such tasks ever have and are done by human beings. Insofar as we know, all such tasks require a factual, physical body to accomplish. Spirits lack the hands and muscle to move objects of matter. Hence the desirableness of a human body; and more especially, that of a glorified human body. Glorified human bodies such as was manifested by our Risen Lord and Receemer are THAT which God envisioned in ages bygone. SUCH bodies - possessed by multiplied millions - shall enable God's plan for the human race to lurch forward into high gear!

The Lord yearns to see His offspring grow rapidly towards maturity. 'Maturity' is a distant milepost on the road to perfection. It is THAT fact (of glorified human bodies) which is behind the prophetic Scripture speaking of a future day when the Teachers shall no longer be hidden in a corner, but shall be seen. And, when the person is in error, he shall hear the words: *"THIS IS THE WAY: WALK YE IN IT." (Isa. 30:21)* I repeat: THAT calls for glorified human bodies - even such as was manifested by our Risen Lord and Redeemer.

With the foregoing facts in mind, the reader is enabled to understand that which I have in mind to say about MY REDEEMER. The simple and devout church member which has been "saved" is happy (rightly so) because of the hoped-for "salvation". There is nothing wrong about that. But regretfully, that is so fragmentary in understanding. Whether it be yourself, or some "saved one" you contact, quite often we see that the attitude and understanding approximate this: "By the Lord's grace my soul is saved

(from death): it is the Lord's free gift, therefore there is nothing I can do about it." Consequently, the person goes on living much the same as previously, having been deluded into believing that "there is nothing I can do about it"! ! Some might even add: "I can no longer *sin* because His seed is in me" - even though such a person departs from the Truth a dozen times that day! In support of such fallacious understanding, the person might refer you to *I John 3:9*. (I personally knew an ordained minister who had little respect for the Truth-facts, resorting to the above passage. One man who had a slight business relationship to that ordained minister once said to me: "I wouldn't even call him a Christian!"!)

I am here to tell you there is an immensity YOU CAN DO ABOUT it!

MY REDEEMER has revealed unto me much that we *can do* about it:

> *"He who has an ear, let him HEAR what the Spirit says unto the churches: 'to him that overcomes will I give to eat of the tree of Life, which is in the midst of the Paradise of God'!"*
>
> *Rev. 2:7*

How simple and stupid can you be? First you have been told to believe that you have received "eternal life" for your soul. And, that eternal life is the free gift of God. Do you work for a gift? Do you eat - for a gift? The FREE GIFT of God implies an already established fact (unto the BELIEVER). You do not commence to DO, or to EAT something in order to receive it as a FREE *gift*. For, it has already been received: it is your *possession*.

> *"PEACE I leave with you; my PEACE I give unto you: NOT as the world gives, give I unto you! Let not*

your heart be troubled, neither let it be afraid."

Jn. 14:27

Or maybe you have supposed that your 'soul' - in the heaven world - must be given of the Tree of Life to sustain it from day to day? ? According to many Scripture passages, he who has accepted Jesus the Christ as one's personal Redeemer HAS ETERNAL LIFE: even a present possession. HEAR His words:

"He who HEARS my word, and BELIEVES Him who sent me, HAS ETERNAL LIFE; and shall not come into judgment, but IS PASSED OUT OF DEATH, INTO LIFE"!

Jn. 5:24

It is *NOW* an eternal possession! So, what about this "eating of the Tree of Life" by the overcomer?

IT IS HERE AND NOW!! (And don't you dare to ever forget that!) Question not His Truth-word. . . .

Perhaps you weary of my telling you this, but I say it to you again:

THAT was the BASIC (primary) purpose for which the Son of the All Highest - even your own Spirit-father - came to earth to suffer, to bleed and be tortured unto death, that your *physical body* might enter into immortality - leading on to PERFECTION! The 'overcoming' is here and now in the present body of flesh and blood! IF YOU are a thief, a liar or whoremonger, don't kid yourself that you are Heaven-bound! ! The TRUTH of these statements is fully underscored by the Elohim when speaking of the Edenic pair after their disobedience:

"Behold..., and NOW - lest he

put forth his hand and take also of the Tree of Life, and eat, and live for ever...."

Gen 3:22

(The reader should carefully peruse my TABERNACLE SERIES - which PROVES beyond disputation that it is the human body which is *"the Paradise of God"!*)

Next step: When you have arrived at the absoluteness of conviction that somewhere within your body of flesh is a spirit-entity begotten by the Heavenly Spirit Father (of that indwelling spirit), then you gradually enter into the fullness of the realization that there is absolutely nothing of GOOD which your Heavenly Spirit Father will withhold from you - *IF* you continue diligently striving to live pleasingly in His sight.

Or would you - as an earthly parent - DOTE on a brattish child of your own? Or would you withhold any good within your means from one perpetually striving to be fully obedient - ever doing the pleasure of your will? *("Let us make man...after our likeness.")*

It might require some time for you to arrive at that state (of overcoming - as given unto the church in Ephesus), but of this rest assured: HIS WORD IS ABSOLUTELY TRUE in its fullness, even to its extremity! And, as you are observed to be a progressive overcomer, He not only grants you to commence eating of the Tree of Life, but will actually dote on you. THEN you receive overwhelming - almost perpetual - evidence of the fact that a supernatural, or Heavenly intelligence oversees your life in every detail, never failing to watch over you unto your utmost good, showering upon you pleasant surprises from time to time.

Gradually you enter into the awareness that MY REDEEMER IS IN FULL CHARGE of every detail; and, that whatever transpires is for my greatest ultimate good! Neither shall the time be long that you continue overcoming until that consciousness dawns in you - as it did in me - that your Redeemer is indeed "Miracle-BEAUTY" Jesus - as I named Him a few years ago. Yes indeed! When we perpetually continue as "overcomers", He manifests Himself as a MIRACLE OF BEAUTIES!

Never, NEVER doubt or question His love and goodness. Even though you were to break both legs simultaneously, PRAISE HIM! ! HIS love, His full awareness of YOUR TOMORROWS, is that which dictates every detail of your destiny. HIS "overcoming" child is *never* punished, but only HELPED - even though the human being might be too dumb at that time to see it that way! You are ASSURED, if a perpetual overcomer, that you too shall come to KNOW Miracle-BEAUTY - Jesus!

The reason so many "saved" Christians experience so much adversity rests in the fact already mentioned: even the great delusion that being "saved" is the ULTIMATE and that there remains nothing for you to DO!

Get this clearly: getting "saved" could be truthfully described as "getting your two feet INSIDE THE DOOR!" Nothing more! Seven times in *Revelation* chapters *2* and *3*, plus once in *Revelation 21:7*, does the Glorified One *covenant* unto the "overcomer" the various assurances. Let no one delude you into believing that your having come into an acceptance of Christ your Redeemer means YOU answer to the Overcomer in those eight stated instances. In this brief article I cannot detail those 8 different steps in overcoming.

Absoluteness of overcoming was originally an-

nounced (commanded) by God as recorded in *Genesis*, when man was told to GO FORTH and *GAIN* (or 'have') *DOMINION*. . . ! Catching a fish, shooting a duck, taming a ranch horse, et cetera, is only a stupid child's concept of "gaining (or having) dominion" over them! Parrots in fine plumage will tell you only that which pleases your ego! But gaining dominion over fish, birds and animals implies immensely more than the indolent would like to believe.

I am here to shout at you: *YOUR EVERY THOUGHT AND EMOTION* was implied by God's original command!

The FISH bespeak your emotions; the birds your thoughts, while the animals depict the monstrocities within human nature!

I need not tell you of the numerous thoughts and emotions which fall short of God's perfected love. You have a head; you have a brain, and you have a mind of your own. YOU know that which would not meet with your Redeemer's approval. Delude not yourself by saying: "My Lord knows I am but human: He understands"! Of course He knows and understands! Yet THAT does not qualify you to partake of the 8 various covenants.

Just look to the first one unto Ephesus: IMMORTALITY HERE AND NOW! How many have attained to that? ? Have you heard or read of any? Why not? Because of that devil-devised delusion: "I am SAVED: THERE IS NOTHING I CAN *DO* ABOUT IT!" Multiplied millions have been "saved"; but insofar as the record goes, not even one of them have attained to the first phase of Overcoming! ! It is not achieved over the weekend while fishing; or shouting yourself hoarse at a sports arena over a game staged by some millionaire, for the simple to watch! There is such an

immensity that you can and should endeavor to do about Overcoming that it becomes questionable IF you have sufficient time left here on earth to attain to even a FEW of the 8 phases.

Brother, sister, friend: YOU HAVE A JOB AHEAD OF YOU! Kid not yourself that a golden harp and crystal streets are all that await you - that you may idly strum throughout eternity!

The Lord's creation buzzes with activity. Even here on earth great and varying qualifications are needed for certain jobs and positions. It is similarly on the higher plane of being: hence the 8 phases of overcoming! Think not that the Glorified One detailed those messages, concluding with 7 covenants, *UNLESS* they were OF TREMENDOUS IMPORTANCE! While the 8th, in *Revelation 21:7*, becomes the ultimate, or PERFECTION requirement to be a son or daughter of His. . . .

The *pith* of the seven separate messages *help* us to understand His expectations of us, yet do not brim the measure. For the latter we must harmonize the "pith" with the numeral KEY. As for instance: the first message - which bears the number ONE (the second will be TWO, et cetera), is unto Ephesus. We might go so far as to say that the Lord was pleased and congratulatory (in an overall assessment) but concludes by saying He had somewhat against them because *THE FIRST LOVE* had been lost! Here it becomes strikingly evident that the *FIRST* love links with the number ONE - which number conveys LIFE, and Life irradiates Light. WHY had Ephesus lost the FIRST love? The name means DESIRABLE. The errant child finally recognizes the error of the ways, returning to the Heavenly Father in deep humility. (Set forth in His parable of the prodigal son.) But having returned repentant and in humility,

the Father's love and goodness is lavished upon the one returned. Having enjoyed the Father's blessings for some time, the DESIREABLE THINGS are apprehended and reached out for - at least in a measure. Instantly, the FIRST love's beautiful light begins to DIM - finally lost.

Thus His covenant unto Ephesus received WHEN THE FIRST LOVE HAS BEEN REGAINED (assuming it was lost by the individual), shows us that immortality in the flesh here and now cannot be achieved without the FIRST Love. Similarly we must understand and treat the other six. Yet that detailing is not intended for this treatise.

In speaking to an ordained minister along this line many years ago, he answered me, substantially: "The apostle has written, 'WHO is he that overcomes the world but he that believes that Jesus Christ is the Son of God'." Wherefore said he: "he that has accepted Jesus Christ as his personal Savior, HAS ALREADY OVERCOME THE WORLD: THAT is all there is to it!"

There you have it - "straight from the horse's mouth"! He was a Pentecostal minister! THUS is Scripture contorted to speak forth the Devil's lie: "There is nothing I can do about it!"

I am no ordained minister! Were I, I would not dare tell you the Truth! Whether it be in one church camp or in another denomination, so soon as the minister departs from the PRESCRIBED doctrines, *HE GETS THE BOOT!* Wherefore, I chose to STAND ALONE, with all the churches and man invented philosophies AGAINST ME, fully believing, as the apostle wrote,

> *"I know Whom I have believed, and am persuaded that He is able to keep that which I have committed unto Him against that day."*

(II Tim. 1:12).

Wherefore, the matter must be left to your own judgment. SLUMBER (see *Matt. 25:5*) if that you choose. Or *come to* with a start, in the realization that *you have a job on your hands!* Were you to decide in favor of the latter, then your perpetual 'drive' must become: "HOW CLOSE CAN I COME TO JESUS CHRIST MY LORD AND REDEEMER?" (Thoughts of resentment, criticism, unkindness: these are the owls, the hawks and vultures; the *"lusts of the flesh"* are the pikes, the swordfish and sharks, while reminiscing in these is the giant octopus. . . .)

Or what do you suppose the Lord meant by His repeated statement of "believing *INTO* Him"? Yes, *that* is what He said. The Greek word used is "eis" which - in its basic sense is INto! (Boot back into hell all the believing ONs attributed to Him.) Your *goal MUST* become: believing right INto Him, so that every day and moment Christ LIVES TRIUMPHANT IN YOU! SLUMBERING virgins *without oil* in their lamps have snored into our very day! They love to have you alongside. . . .

It is all so exceedingly simple: you just "believe ON him" - and the world "goes to hell" - taking you with it. . . .

Was Christ but a deceiving, inflated ego? HEAR His words:

> *"Verily in Truth I say to you, he that believes INto me, the works that I do shall he do also; and GREATER works than these shall he do; because I go unto my Father."*
>
> *Jn. 14:12*

WHO, when and where has anyone ever done a

slight degree of the works that the Christ did? Why? Because people have been taught to believe *ON* the Christ! It is all so simple and easy: just believe *ON* the Lord Jesus Christ and leisurely step on the Hallelujah bandwagon to get pie in the sky after you die, with pink ice cream and lollypops as you idle away the time, strumming a golden harp. . . .

The sad fact of *no one doing any of the works our Lord did* ties in perfectly with this other sad fact, that multiplied Christians down through the centuries, and into our very day, have continued to get sick, decrepit and die, CONTRARY to His promise we should NOT die! ! !

"I am that bread of life."

Jn. 6:48

"Your fathers did eat manna in the wilderness, and are dead."

Jn. 6:49

"THIS is the bread which comes down from Heaven, that a man may eat thereof, and N O T die!"

Jn. 6:50

Verse 51 states the same truth, but *"hirelings"* can interpret it differently.

"This is that bread which came down from Heaven: n o t as your fathers did eat manna, and are dead: he that eats of this bread shall live for ever!"

Jn. 6:58

"Verily in Truth I say unto you: If a

man keep my saying, he SHALL NEVER SEE DEATH!"

Jn. 8:51

We observe by the following words that the Jews understood Him to speak of physical death:

"...I know that he shall rise again in the resurrection at the last day."

Jn. 11:24

"Jesus said unto her, 'I AM the resurrection, and the life: he that believes in me, though he were dead, yet shall he live; and whosoever lives and believes in me SHALL NEVER DIE!' Believest thou this?"

Jn. 11:25 & 26

There are four instances where He declared immortality in human flesh here and NOW *IF* we were to believe Him. Every one of those four instances are indisputable! They cannot be interpreted to mean some FUTURE unending life for an intangible 'soul'. Jesus was honest.

But as up into this day, nearly every ordained minister is a *"hireling"*; he must speak as prescribed for him, or he loses his job. (See *John 10:12 & 13* regarding *"hirelings"*.)

As I previously set before you, His closest followers had but ONE LOAF in the boat when 'crossing over to the other side'! Similarly today, the most devout have only Jesus Christ set before them in church; the balance is filler consisting of eye-wash, tainted with hog-wash, plus pink ice cream and garbage!

WHY is this? Ten thousand times WHY is it

thus? ? I will now answer that; neither shall any one be able to refute my answer.

We go back to the 'garden' episode. ALL was beautiful; ALL was well. But in process of time, in slithered the 'sagacious' one. He picked on the one most receptive to the senses: to feeling, to hearing, to seeing.

In substance, he said: "Indeed, has God said you shall die? HE knows very well that you shall not die in that day! On the contrary, your eyes shall be opened that you may be like unto gods - knowing good from evil." Eve was beginning to feel good: the warmth of the serpent's sun-baked body was moving on her own.

God had spoken to Adam of "a day" - which to the human being stretched throughout one thousand years. The Sagacious one spoke of the ephemeral, making God to *APPEAR* AS A DECEIVER. Eve felt so good by the serpent moving on her own body that she found it easy to believe it might be well to better understand - becoming like unto the *great* (gods). HE has said 'you shall not touch', but *this* contact engenders such a delightful *feeling*. Might she not also have said to herself, or perhaps audibly to Adam: "Already I have better understanding! Already I have *the evidence* that the 'sagacious one' *deals with FACTS*, while the Strong One only gives us words! 'Words'? What can they mean to me? I FEEL so good! THAT is *reality! Almost* am I already beginning to understand!"(?)

She looked upon Adam: she was not void of imagination! To her emerging incipient understanding, he *appeared good* to her. Her imagination became more vivid - spurred on by the *fact* that *feeling* was REALITY, in contrast to "words" by the Strong One. Is not the *reality* of my feelings more important than words, words (you

shall not)?"

Again the serpent moved upon her sensitive body - engendering a new surge of sensation. The serpent was brushed off - slithering away. An *impulse* had been engendered; she reached out her opened arms to Adam. Never before had he seen that gesture. "My woman companion given me by the Strong One has now become my 'bosom friend'", he mused - as he entered into her soft embrace. . . .

DISobedience had become reality!

The foregoing cannot be conclusively *proven* to have transpired accordingly; but neither can you disprove it.

So let us proceed. In substance Yahweh had said: "*IF* you will keep my injunctions, observing my precepts, thereby walking in my ways, I will not put upon you any of the diseases you saw in Egypt. And I will grant you to eat the fat of the land, neither shall anyone among you or your herds be barren!"

Words, *words, WORDS!* "We cannot see them, we cannot feel them: we can only hear, momentarily. But a little 'stolen fruit' is exciting and a delight to feel! No one will know the difference." THUS whispered the Dart Projector to many. Yahweh's *words* were losing out!

The Jews scoffed at Him,

> *"Abraham is dead, and the prophets; and thou sayest, 'If a man keep my saying, he shall never taste of death. ... WHO do you make yourself to be?"*
>
> *Jn. 8:52*

The Son of God had spoken *WORDS;* but their great patriarchs and prophets were all *dead:* THAT was reality! "God helping us: WE WILL ABIDE IN *FACTS*. . . ."

"We *know* that people get sick, that they weaken with age and eventually wither away. We *see* and we can *feel* their lifeless bodies: *that* is *FACT!* But what are *words?*"

The Christian 'fathers' early in the second century of the Common era said to themselves: "The very apostles of the Lord including the zealous Paul, are all dead. DEATH is all about us. Why then should we depart from REASON, proclaiming that which cannot be seen or felt - in complete contradiction to the ever present, undeniable FACTS? *"WE MUST BE REASONABLE!"*

Eve could *feel* the *reality* of Lucifer's factual utterances, while the words of the Strong One were but momentary sounds!

Those early Christian fathers *reasoned* similarly: we must deal in FACTS: REALITY must take precedence over UNdemonstrable words! Thus did God lose out at every turn (or so it would appear), while Lucifer strode triumphantly.

"But Brother Dahl: the very apostles of the Lord are all dead (we are told): HOW can we believe that we need not die?"

Repeatedly have I pointed out the fact in my other writings that on the occasions while the Lord was at their side, THEY DID NOT BELIEVE HIM! (Scripture establishes that beyond dispute!) Since they only believed Him in part, HOW should we expect them to enter into the fullness of His promises?

Also consider this fact: there is not the faintest trace of Scriptural or secular history

which indicates that any of the apostles "did the works which Jesus did" - to say nothing of "greater works"! Undoubtedly, miraculous healings took place, and Dorcas came back to life; but Jesus walked on the tempestuous waters, He spoke to the raging elements: the dead (?) elements obeyed Him! On two occasions He fed to the full a vast multitude with next to nothing, but winding up with enough leftovers for 12 men to carry! SUCH were the works of our Wondrous Lord, while by contrast the apostles did but little. In view of which we must conclude by *John's 14:12* that they had NOT "believed INto Him."

There is the possibility, however, that - in a measure - (NOT completely) they can be exhonerated. Some of them *might* have yielded up their lives voluntarily as martyrs.

"LET THERE BE LIGHT!", spoke the Mighty One in misty eons bygone. *And there was light!* Because of man's spiritual blindness he finds it from difficult to impossible to believe that which he cannot see and feel. Those two are lasting realities; while hearing or even smell may be impressive, yet only for a moment.

Simple, credulous people may find deep comfort and lasting hope of "pie in the sky AFTER they die", since their lot here may have been largely beans, hard-tack, cold facts and hard knocks! But believing INTO Him so as to be "perfected into ONEness" (see *John 17:23*) - "that's for the birds". . . .

You may have read it before but I write it again: I might be the only one on earth in His service who *obeyed* His command to not go to others to learn *("for One is your Master")*, but look only to the Master (teacher) in Heaven. There might be some who have not as much as

gone to a Bible School; but all such have *copied* the parrots! Knowing somewhat of the hogwash and garbage emanating from such "colleges", I refused to consider them. Over and above that I vowed to never buy a book purporting to set forth God's Word, or "interpret" the Bible. I have kept that vow throughout 35 years or more. And I endeavored to "cast out" all that I had ever heard or read with reference to God and the Bible. I commenced to read (the Bible) then to *THINK* and then to pray. Finally I commenced to REJOICE - because I found "treasures" of which I had never heard. Then I fasted 40 days, plus many short ones.

To sum up: the Lord has enabled me to set forth more indisputable "treasures" from the Bible than all theologians combined during the last sixteen centuries! These treasure-troves have been stepping stones unto the building of faith.

Consequently as of now: I BELIEVE THE WORDS OF MY LORD. I BOOT BACK INTO THE PIT all materialistically founded reasonings which discredit His word.

I DENOUNCE - as the mouthings of Lucifer - that we must all die! The human body is the MASTERpiece of creation, perfected to function throughout an endless eternity - were that to be required! Because of DISobedience, DEATH reigned from Adam unto Calvary's Cross. THEN did the Christ Spirit dispatch the cherubim set to prevent man's return to the 'garden' where grows the Tree of Life. A year or so previously the Christ reached out His arms, saying:

"Come unto me,
all ye that labor and are heavy laden,
AND I WILL GIVE YOU REST! ...And ye
shall find REST unto your souls."

Matt. 11:28 & 29

THAT was His declaration that death was no longer inevitable! Whosoever lives in the consciousness that "I MUST *DIE*" has not found "REST for his soul" - as the Lord promised. But bear in mind: the Lord used that "soul" word in the same sense as back through the Old Testament - even in the manner that the Jews were accustomed to understand it. That is, the entire sentient being of man. (Challenged are you to refute that statement.)

Because of my unswerving conviction, I have entered into joys not commonly known by the "saved". Almost perpetually, "my cup spills over!"

"But Brother Dahl: do YOU heal man's diseases, still the tempest and raise the dead?" No, none of those.

"Believing INTO Him" is achieved by degrees throughout a period of time - even as it does to acquire an education, or to arrive at a maturity of understanding. But the Lord has granted me much evidence that I AM ON THE RIGHT PATH; and I shall be vindicated.

Here I have some words of counsel unto such as dare to believe the Lord meant what He said: IF you are sick, have some ailment, or get sick after you commence to BELIEVE the Lord, think not *that* disproves His Truth-words. Such ailments link up with the past. Over and beyond that YOUR FAITH MUST BE TESTED: *YOU* MUST BE PROVEN! Or if you are up in years, no longer feeling spry, think not *that* means you must die. HE is well able to keep you alive UNTIL you reap the rewards of your unflinching faith.

Let the modern intelligentsia rise up and reaffirm: we can only accept that which we can see, feel and factually demonstrate. To which

I reply: TO HELL with such convictions - I BELIEVE THAT MY LORD'S EVERY WORD WAS TRUTH IN ITS FULLNESS. In that conviction I *live!*

Now - in an effort to set before you that which I originally had in mind, I regret the need of the frequent personal "I" to predominate.

It is now about an even 8 years since the Lord brought it home to me suddenly, and with stark realization, that I must get closer, even very close to Christ Jesus my Lord and Redeemer.

I developed "floating specks" (factual and permanent), and shortly my eyesight also commenced to fail. *I KNEW* that this was a manifest of my wondrous Lord's LOVE for His little one. I only prayed that He would command that any sight would not be completely taken from me. I knew He had in mind a *great goodness* to heap upon me! Nothing, absolutely NOTHING will He do except that which is unto the GREATEST GOOD unto all of His.

Then a year or so later, a group of my students on the West Coast decided to establish a Christian community similar to the one described in the book of *Acts*. They did so in mid-Missouri.

Incidental to the visual problem already mentioned, I had divested myself of property and equipment incidental to my ministry which had been in progress throughout decades. Consequently, I was enabled to be of some little help to the struggling faithful of the Christian community.

Here I wish to skip a multitude of detail (which would fill many pages) to come into the present moment and the recent past.

Even though somewhat slow to learn, I did ar-

rive at the realization some years ago that to get NEAR to Him - and fast - it would not be sufficient to go to church on Sundays. In fact, going to church has very little bearing on "getting CLOSE" to Him; howbeit, to some "saved" ones who know "there is nothing they can do about it", it may help to encourage their continued hoping for pie in the sky after they die. Neither is it sufficient to worship and get committed to Him every morning. Neither does it suffice if to that we add a "Thank You, Lord" at the time of retiring. The one-word key is *WORSHIP*.

It was the morning of October 7, 1983 that I was given to see (in vision) our Canadian Prime Minister standing at some little distance from me, but very close - even touching - an opening in a great mountainside. In a small memo book, he made frequent notations. Then he started to read a daily newspaper. At such a distance I could not read a word; but suddenly on the last page - facing me - one word immediately enlarged so immensely that it stood out in bold relief: *WORSHIP !*

WHAT does the word mean? To many people it means going to church, especially on the "sabbath", and there to sing hymns of praise - usually to the tempo of a funeral dirge. And, of course, listening to the dronings from the pulpit. But what does it factually mean? *Adoration,* reaching out to that One Who is at least *ten thousand times more than worthy* of all the homage, appreciation, gratitude and thanksgiving of which man's inner being may be capable! None of this is limited to either time or place, but must become the ever pervasive spirit, fully dominant! When THAT spirit has been achieved, it finds frequent expression, especially in the morning before the day's routine opens.

THAT spirit finds expression frequently - even in little and inconsequential ways. As for instance in my own life: IF not in some moment of worship just previously, I pause at the door before going out - be it for this and that - to commit myself to Him. And on my return, thank Him for my errand achieved and His perpetually caring for me.

At times when enjoying something to eat, I get 'moved' to get up, entering into worship before Him. I have found that it "pays well" to enter into worship whatever the time and situation may be (providing circumstances permit).

You will also bear in mind your own shortcomings, that quite occasionally you request of His Spirit to help you unto its overcoming. I believe it could be fairly correct to say that when one has persisted in the right spirit of worship for some time, the resultant substance becomes: SELF is forgotten; Christ the Lord and Redeemer LIVES TRIUMPHANTLY moment by moment *in you!*

Having continued in this true spirit of worship for some time, the conviction builds up within: even an unchallengable, unswerving assurance which expresses substantially in these words:

"THOU ART - my Heavenly Spirit Father - and I YOUR LITTLE ONE AM!"

Continuing frequently in this expression before Him, one grows into a joyous PEACE - which nothing ruffles. For, you are ever conscious of the fact that the POWER of the very Creator enfolds you.

"UNLESS you become as this little child...!"

Yes indeed! UNLESS you have entered into that

realization that - at the most and best - you are but a little toddler, snuggled up to the chest of your Omnipotent Father, Whose power shields you from all harm and whatsoever is not for your greatest GOOD and ever leading and ever providing: (I said UNLESS) this realization has taken deep root within, then you are missing out on the great joys and blessings He has reserved for those CLOSE to Himself. Such are among the most blessed on earth. . . .

Frequently - almost daily - He will grant you a sign, a signal indicating unto yourself that YOU are on the right path and have been drawing closer to Him; that your efforts are pleasing in His sight.

These 'happy signals' may come to you in various ways - dependant on your activities and range of understanding. It may be a vision, a voice, a dream, or even a telephone call which keys your problem, or answers the question in your mind. Here I will mention a few out of a great many in my own life, illustrating various ways in which our REDEEMER manifests unto His little ones.

Decades ago - in the bleak thirties - I was employed at a place maybe 15 to 20 minutes walking distance from where I lived. One morning I had been somehow delayed - maybe 5 to 10 minutes - before getting started towards the plant. I knew I would be late, but deep within I was saying to myself: "The Lord is able to get me there on time!" (Sure, it was a silly thought, but when we love the Lord and believe Him, we get those unreasonable thoughts at times.) Never, positively NEVER had I been late to "punch in". Punctuality has ever been a *must* with me. Only a few minutes after getting started, a car swerved towards the curb. The driver shouted: "Want a lift?" I punched in *on time!* Never be-

fore nor at any time since had a motorist swerved to the curb, offering me a lift! Why? Two reasons: it was the only time I needed one! Secondly - but of primary importance - my Wondrous REDEEMER sought to prove to me that I was every under His watchful care. . . .

But let me come into the present: it was mid-August. I had observed that the lunation was due to take place the next morning at about 10:05 G.M.T., becoming 4:05 here (M.D.T.). I became strongly moved to arise early to be in worship before Him, and partaking of the elements of His broken body and blood He shed (even for me) - as those two luminaries aligned (the astronomical lunation).

(As to whether or not it is of any importance to be in worship before Him at the precise moment of a lunation is not here the point I wish to raise. In fact, I dare not say it is of any importance.)

But what was important rests in this one fact: I had been 'moved' (by His Spirit) to be in worship before Him *at that time*. When retiring, I had requested to be awakened in sufficient time (for the objective in mind). I awakened and arose near 3 a.m.

I had a beautiful session with my Lord and Redeemer - as leading up to that moment of perfect alignment. The sacrament concluded at 4:05. I continued before Him for some little time (unaware of the passage of time). But suddenly I said to myself: "Right now the Lord is talking to me by the two hands of my watch!" By aid of a magnifying glass, I could see that the time was found to be almost touching 12' after four. Reflecting a moment I said to myself: "Four twelve is the east-west measure of the King's Chamber in the Great Pyrmaid; THAT is the fullness and

END thereof! ! I rejoiced in worship before my Redeemer who chose thus to "speak to me". HE was telling me that I had been traversing HIS chamber, going WEST (which is towards Him) and, that "touchdown" was *almost* at hand! Then I knew that my arising early to be found in worship before Him as those two great heavenly lights came into perfect alignment was - at least at that time - acceptable and pleasing in His sight.

For some little time I continued to rejoice before Him, grateful that He had seen fit to grant me - should I say - that extra "shot in the arm"? Again suddenly I said to myself: "THAT was not all! HE placed a confirmation for me in the starry heavens above: I will observe it when I check my astronomical tables." That I did.

After precision calculations were made, I found that the highest point in the star-map - commonly called the M.C. (mid-heaven) - showed precisely 4° Aries 12'! ! ! HOW could I remain "normal"? ? There He had arranged for me that Aries - the Ram or "Lamb of God" should corroborate to the minutest iota the "four twelve" I had seen by my watch! ! !

We can observe such degrees and minutes of celestial arc in many different places from time to time; but this one quivered on the very highest pinacle point in the starry heavens - and THAT as held by "the Lamb of God", my Wondrous, every Beautiful REDEEMER! ! ! *HE* is on the Throne - in full charge - not even a few seconds are late or fast. . . .

Laugh me to scorn - should that seem right to you - but I KNOW that my glorious REDEEMER reigns majestically, and holds His every "little one" by His omnipotent arm, close to His heart.

(In the star-map mentioned, Leo 1° was rising on the eastern horizon. Within the human body, Leo answers to the heart.)

(In the name of Jesus Christ I assure you: the episode just related has been related correctly, without deviating one way or the other to make it seem more impressive.)

Being so familiar with the ancient star-lore, together with a fair knowledge of the starry heavens, I wondered shortly IF that "second witness" He gave me might also bear a message unto the world (even though as yet the world will not receive anything from His mouth)?

The reader may be aware that I am looking forward to Nisan 10, 1986 as becoming epochal. Rabbis have precalculated that to be April 20th (24th for the Passover). To every day we alot 1°. From August 16th (time of lunation) to April 20th becomes 248 days, minus some hours. Every sign of the Zodiac is 30°. Wherefore, nearly 248° reaches almost 12° of Sagittarius. What of it? Just about split point merging with Rastaban, being Beta Draconis a DEVIL STAR! ! It is situated in the Dragon's head. In ancient times it was called the "Nebulous star in the Dragon's eye". Might not this "talk" to us? It is the devil envisioning the entire world (nebula) in his own power! And in the *Revelation* prophecy *(12:4)*, we are told that the Dragon stood before the expectant woman, intending to devour her offspring. But her male child was caught up into heaven! Similarly today. The great dragon nation which has seven heads, envisions all the world in its own maw! But the Wondrous Redeemer has a different plan. That male child (NOT the devil) is to *"rule* (tend, as a shepherd) *all nations with a rod of iron...!"*

Yet let us look further to His message -

granted unto one of His little ones. When the M.C. has moved from Aries 4°+ to almost 12° Sagittarius, Pisces 14° will be rising, and only moments later Achernar, known as alpha Eridani (which translates to the Great River's END)! !

Have you not read that when He whose head is identified by a rainbow stands on the Sea and on the Land to call out the Firstfruits, *"there should be time no longer"*. THEN the "mystery" is no more (the River's END!)! The water bespeaks the world's surging masses. . . . Surely He was 'speaking' to me.

To not weary you excessively, I will draw this towards its close by relating another incident to illustrate how - even in trivial moments and matters - He speaks "in dark sayings".

It took place this very forenoon as I was writing. I had arisen early; suddenly I felt drowsy, then decided to relax some moments for my brain to clear. As I closed my eyes I said to my Redeemer: "*IF* You have something special for me, grant me that input which shall redound to your own praise and glory." Maybe in half an hour's time, I realized that my brain had cleared, but no spoken word had been received. When opening my eyes I observed that the time was 11:20 a.m. I said to myself: "What is eleven twenty? It is one, one, two, raised to its first spirit power!" That was the precise number He showed me, morning, March 18/83 ("I Jesus 112")...." How that speaks to me! I had asked Him with reference to this very article ("My Redeemer") for whatsoever might be to His praise. So, I am nudged to check the time to see the numbers 112(0). HIS own very number (as applicable unto myself) He revealed to me about 2½ years ago. To me, that places His seal upon this very treatise! That title had also been given me by a heavenly messenger.

So what of this 112? My readers should recall that I have frequently mentioned that "the Lord's day is 42". So since both those numbers are linked to the Lord, it would appear logical to divide the smaller into the greater. That being done yields 2.6666! ! Need I tell my readers what 26666 stands for? According to the Masoretic Chronology, Israel was released from Egypt in the year 2666.5, which reached into point 666 at foot of the Holy Mount!

Beloved reader, I am personally well convinced: *OUR TIME IS SHORT!* I believe that A GREAT DELIVERANCE is drawing very close to hand.

Today is August 29th. Having just touched on numbers, I find it somewhat intriguing to observe that the cubic volume of the Ark of the Testimony, when placed in the Holiest, would yield a reading of 5625. IF understood in terms of hours, that would yield 234.375 days, being the number of hours from this forenoon into the critical time April 20th next year. Even the decimal 375 is the square area of the Mercy Seat (1.5 x 2.5 = 3.75 square cubits). Yes, "intriging", but not having received anything about it from above, I cannot say that it is significant.

Numbers? How they INTRIGUE me ! Look at this: 126 + 286 = 412! ! The three are Pyramid numbers. When our distance of separation from God (286) has been traversed, THEN He "takes His Power (126) to reign", netting the KINGDOM OF GOD ON EARTH. . . (412).

(This is the next morning.) As I was before Him at the fullness of the moon a little while ago, the inflooding was so strong I am moved (almost driven) to add these words:

YOU who think that the Son of God came to suffer and die merely to "save your soul": *you make a mockery*

of the Atonement!

You have read and you have heard that ***"by His stripes we are healed."*** FOUNDED in that Truth-word, it becomes correct in point to add:

YOU

(we) were "passed over" (reserving us for Himself) because He became our "passover"! Wherefore, HE was taken lest we be taken; HE was rejected - lest we be rejected; HE was crowned with thorns - lest we endure the grief of pain in heart and mind; HE was smitten (flogged) - lest we be smitten. By hands and feet He was transfixed that WE might ever be FREE to walk and to work according to the free will God has granted us. His Life-blood spilled away - to the end that ours should ever freely course throughout that perfection 'tabernacle' He prepared for His little ones; and HE *yielded up His body into death - to the end that OURS SHOULD NEVER DIE, BUT LIVE TRIUMPHANTLY THROUGHOUT AGES UNENDING!*

UNLESS you recognize and accept the absolute TRUTH of the underscored foregoing, then FALLS APART the entirety of the "atonement" dogma which you have heard and believed! It is like SPITTING IN HIS FACE to pick a few words here and there (saying you believe that), but reject the balance of His Truth-words which convey the very *pith* of the purpose of His supreme sacrifice!

MY REDEEMER LIVES TRIUMPHANTLY. May He - as Miracle-BEAUTY Jesus - enable you to truly accept the horrendous sacrifice He made for *YOU!*

In His love abiding,

- Mikkel Dahl
